

Special Needs may include but is not limited to members or those seeking help or information with differing abilities in their Vision, Hearing, Mobility, Reading and Literacy, and Speech. Special Needs also includes Elder Issues including getting to meetings, and those in Hospitals, other institutions or facilities.

Looking at Special Needs in our District means:

- we make the program available to anyone, anywhere
- we include all alcoholics in the experience of belonging to a group
- we allow all alcoholics to participate in the benefits of membership
- we treat all members equally
- we are always inclusive, never exclusive
- the emphasis is on how we are the same

rather than how we are different

AA Conference-Approved Resources & Materials Available:

- Braille -Audio -Videos -ASL materials - Grapevines
- Large Print literature -Illustrated and Easy-to-Read literature

We are very fortunate in our District to also have a Member who is an American Sign Language (ASL) Interpreter, available for open and closed meetings.

If you would like to be part of this important Committee and share the message through Service, we would love to have you!
